150 Years Flowing

Anchored in welcome, service, truth and worship

Rev. Michael Short

A Message from our Directing Pastor

A few months ago, as we began the process of emerging from the past year, from our pandemic instituted isolation, I started asking, *who are we now?* Also, in light of our upcoming 150th Anniversary celebration, we are looking toward the future as we build on the past. I began asking, *who are we as we head into the next century and half of service?*

In response to the questions, the council, staff, and other leaders spent some time this past spring discussing our mission statement and purpose. We had many great conversations about our past as we brainstormed about our future. After much discussion, we came up with the following mission statement:

Gathered in the love of God, we connect and serve.

We felt this summed up who we are as Central Lutheran Church as we move into the future. Here we gather in the love of God. We gather in many ways: in worship, as committees, both in person and online. In our gathering, we are able to share the love of God which calls us together by the power of the Spirit. Here we learn and grow as we hear the word of Jesus, and as we teach and share our faith with members young and old.

Here we are able to connect with each other not only in worship but around the table of fellowship. Here, with members and strangers, we connect not only with each other but with our God and with our faith. In our connecting, we find a common cause, a common faith, a common purpose.

From here we are sent out to serve others, showing them the love of God which gathers us together. In our serving, we do so in many and various ways: we serve the church through participation on committees and volunteer opportunities; we serve each other as we work to fulfill God's mission in this place; we serve the community by providing meals at the FEAST; we put our hands to work at the Habitat for Humanity house; we provide food and support to Winona Volunteer Services. We also serve by providing a place for the community to gather for blood drives, HIMS practice, the Welcoming Table, and possibly in sponsorship of a refugee family.

As Central embraces our new mission statement, I am confident that every time we gather in the love of God, we will find new ways in which we connect, and then as we leave, know we are sent to serve.

Peace,

Pr. Michael

Aleah Harvey

A Message from our Worship, Music & Arts Director

Adaptability: "the quality of being able to adjust to new conditions." Adaptability is always a crucial quality in ministry. Over the last 18 months, as individuals and as a community, we were all compelled to adapt in ways we never imagined necessary. I am heartened when I look at some of the new practices and ideas that have emerged as we adapted.

When some were uncomfortable or unable to volunteer in their usual capacity, youth of the congregation were encouraged to step up to the challenge. I have been so impressed by the poise and abilities of our youth!

As families become more comfortable with returning to church, another new practice has emerged. At the encouragement of church staff, congregation members have volunteered to lead children's sermons!

Worship in the Park has now become a seasonal tradition at Central Lutheran. On Aug 1, we will be at Sinclair Park. On Sept. 5, we will gather at the Winona Lake Park Bandshell, with H3O (the Huekeshoven family ensemble) leading the music.

I am very excited to announce that we will resume adult choral rehearsals in August! If you are interested in assisting with any of these ministries, please contact me; there is always a place for you.

Blessings,
Aleah Harvey
Director of Worship, Music, & Arts

A Message from our *Youth Director*

God's Blessings to you this August! These are glorious days, both in general and with the Central Lutheran Church Youth Ministry.

This month, we are offering a teen outing to the Anthem Skate park in Winona, an Arts/Crafts Day, a Parenting Teens "Back to School Jitters" class on August 19th, a water wars/beach day, and possibly a trip to see the Minnesota Twins play at Target Field and the Minnesota Zoo. Stay tuned!

We will also continue to host the Sunshine Club on Wednesdays from 3-4 PM in Grace Hall. The Sunshine Club makes cards and letters for those on the prayer, visitation, and homebound lists (as we say, it's for anyone who appreciates God's sunshine in their life). Pastor Linda helped kick this club off in July with John, and enthusiastic membership includes Chloe McQuinn; Shana, Julia, Claire, and Evan Johnson; Amber, Colby, Clayton, Caroline, and Calvin Mlynczak; Aleah Harvey; Pastor Short; & Pastor Linda.

This past month, at the request of the Central Lutheran Youth Committee, we offered rides to/from Good Earth Village for their day camps. So far, five youth have been able to access the camp thanks to the generosity of the donors to the youth ministry. There is one more trip on August 3rd; contact me for details.

Teen Time continues on Sundays at 9:10 AM and 10:30 AM. The Youth Room will be reopened this month in

a big ribbon cutting; hope to see you there! Thanks again to the BK5K grant program and youth ministry donors for making the repainting and retooling possible, all of the volunteers who helped paint the room, and Chris Harvey, our Director of Buildings & Grounds, for finishing up the work and installing the countertop.

Information on Confirmation/Wednesday Night Workshop will be coming out soon to seventh and eighth grade families, along with registration forms. We are planning to meet on Wednesdays from 6:30-8:15 PM. Contact me with any questions.

As always, if you have ideas for youth events or input, please don't hesitate to contact me at (507) 452-5156 or jbartholow@centrallutheranchurch.org. Thanks and enjoy the remainder of this awesome summer!

Peace,
John Bartholow

A Message from our Central Lutheran Child Care

Mission: Provide the building blocks of child care by creating learning opportunities infused with faith while supporting the whole family

What's Happening at our Child Care Center?

When you walk into Central, you may not realize, there is a lot happening behind the scenes!

Children's experiences

The center teachers provide "studies" that offer depth of learning within subjects. There are many interesting studies that the children participate in; August studies are still summer exciting fun, with walks, discussions on bugs, learning about animals, the color gray and spending as much time outside as the weather permits. The older children ride bikes and run through the sprinkler. Summer foods are fun with ice cream making, picnics and s'mores.

Contribution to the Winona Community

We currently are helping 55 families, 71 children enrolled. We work with families part time and full time to have the best experience possible at CLC CCC. We have a few families welcome little ones that we will be seeing in the future.

The Center's Team

The Center employs 38 staff. This time of the year we have incoming new staff as we say good-bye or see you next fall to some of our employees that are students.

Enjoying the Creation that God has Given us!!

Creation comes in many shapes and sizes. Not just children from infants to preschool but, outside places to play and enjoy. Be on the look out for some exciting changes on the playground. The center is excited in receiving help with a gathering space with some shade on the playground. Sand boxes are going to return for the children to have some experimenting fun along with learning to share the toys that accompany that play. Thank you to all that commit to make Central Lutheran Church ChildCare Center a great place to be.

Making Memories with our youngest community members!

A Message from the Lutheran Campus Center

Working together. Living through faith. Taking action in our world.

A note from the Lutheran Campus Center:

This has been a summer for reconnecting. As I look back on the last month, or so, I realize how much I've met with, or talked with alums of the LCC. One of our beloved 2020 graduates met with me for coffee on the Sunday before her move to the Twin Cities. We found ourselves in conversation about life, spirituality, empathic people, and hope. I was thrilled to hear of her new job, her new house and housemates, and all her dreams as she set out on a new chapter in her life. A week later, I saw her mom at an event at Kinstone, and we both gushed at how proud we were of her. It was a reminder for me at how much of an impact a community like the LCC can have— not just for students, but for their relationships with family members, friends, and the communities in which they find themselves after graduation.

A couple weeks later, another graduate popped in to update me on her new job offer at a school. We recalled her growth over the past four years and the ways in which she will watch out for her students, advocate for them, and show them Love.

That same week, another student texted me out of the blue. He, too, had just landed a dream job and graduated. And, finally, a 2021 graduate met me for coffee just a few days ago. She is still looking for a job, but in the meantime, is helping kids through a summer program in her community.

This is a little embarrassing, but I felt like a proud mother after these conversations. Now, I am clear with my students about being their pastor and not another parent, but there's something very close to a motherly kind of pride and awe when I hear what they're doing in the world beyond college. A couple students I had the honor of marrying four summers ago are setting out on an IVF journey, sharing their stories publicly in order to encourage others. Another one is moving to Portland, and still another called recently to talk about the impact of the LCC's acceptance and grace in his life as he became who he is.

You know what's coming next, right? My gratitude...but I really mean it. Thank you, dear Central Lutheran Church, for your part in these students' lives and beyond. You have impacted whole communities, families, future students, and even babies coming into the world through your generosity and presence with campus ministry. Do you know what I mean, then, about feeling like proud? Thanks be to God for you and for these dear students.

Peace,
Pr Corrine Haulotte

WSU Welcome Events

We will once again welcome WSU students and parents during WSU Welcome Week which starts August 19th.

- On August 19th, 9AM –NOON, we'll have several stations set up in our parking lot with bottled water, granola bars, and information about CLC.
- On August 21st, 5:30-7:30 PM, we'll have another event in the parking lot for students to get to know CLC and LCC members, hot dogs, games, etc.

Please sign up to help with one or both events as we'll need help with set up/take down, make/grill hot dogs, bring games, serve food, handing out water/bars, greet and mingle. We'll also need 3-4 large coolers with wheels and 2-3 canopies to set up in the parking lot for both events. There will be a sign up sheet with tasks listed in the Narthex, on line, or call the church office.

Refugee Family Sponsorship

Central has been approached about the possibility of sponsoring a refugee family, of assisting them as they relocate to Winona. There are already a couple of refugee families in Winona whom other churches / organizations in town have sponsored. I have been in conversation with Pr. Katie from Faith Lutheran and Pr. Jeff from Cedar Valley Lutheran about making this a joint venture. Taking on this mission will require a long-term commitment to the family as they get orientated into a new culture, a new town and school, and a new way of life. This mission will also need resources (money and household items) to assist the family as they get settled. I am looking for 3 to 5 members to be a part of the committee to work to make this sponsorship happen. There is an organizational meeting scheduled for **Thursday, Aug. 5th @ 6:30pm at Faith Lutheran Church**. Please talk with Pr. Michael if you are interested in becoming a part of this group to help welcome a new family into our community.

Habitat for Humanity

Habitat for Humanity's 40 Days of Faith Engagement began on July 19 and continues through August 27, 2021. Please join the efforts of sponsor, Thrivent for Lutherans, and partner congregations such as Central in raising money, awareness and prayer to support the ministry of Habitat. Here are opportunities for participation:

- 40 Days of Prayer: Follow this link: <https://www.signupgenius.com/go/10c0c44acac2ba4f8c34-40days>. Sign up for a day/time to pray about the mission of Habitat, support for the work crews on the current build, and uphold the Skappel family on this journey toward home ownership.
- August 1 Sinclair Park Worship: Come to a beautiful outdoor service which will highlight Habitat! Look for opportunities there to learn more and contribute the necessary dollars that make Habitat possible.
- Virtual Bike Ride Fundraiser: Take advantage of the opportunity to raise money for Habitat doing what you might love-biking! In a typical year, Habitat hosts a week-long bike ride fundraiser, but due to COVID, this is not possible. This year, you can ride at your own pace, on your own time. Follow this link: : <https://habitat500.org/> to sign up and report your miles logged. It's on the honor system. Let the church office know you will be riding for Habitat and they can direct sponsor donations toward your efforts.
- Sponsor a rider financially: You can't ride? Contribute to the efforts of any of the names in the church office that are participating in logging their miles ridden during the 40 Days of Engagement. Call the church office, make your contribution, and know that you too are supporting Habitat for Humanity.

Remember that the whole mission of Habitat for Humanity relies on the financial support of people who believe in the role home ownership plays in family stability and wellbeing. Please give generously.

Central provided a work crew for the Skappel home on July 20-thanks to all volunteers!

Habitat House #52 with the Skappel Family

"I just knew God was with me. My whole family is speechless. We are so excited for this new beginning and future in our Habitat home. I would like to thank everyone who has made this dream come true for me and my family." -Melissa

Pictured left to right: Deion, Melissa, Vaniah, Kamareana, Malaycia, and Tony.

Habitat for Humanity serving Winona County is thrilled to partner with the Skappel family on our next home build! This family was selected two years ago and has had to patiently wait while the building process was delayed due to COVID safety regulations.

Habitat homebuyers are required to put in 325 hours of sweat equity. While Melissa waited for construction to begin on her home, she volunteered over 100 hours working in our ReStore!

Now that construction has begun, Melissa, Melissa's parents, and Tony can often be found on the construction site working right alongside volunteers.

As we work to construct this home, we also work to help prepare the family. Habitat homebuyers are required to attend classes such as Home Maintenance, Fire Prevention, Feeding Your Family on a Budget, and Finance 101.

Once construction is complete, Habitat will sell the house to the family with an interest-free loan. Habitat homes are not free. Once the home is paid off, it will be a permanent asset to the family for generations.

Due to the current fluctuation in cost of many building supplies, Habitat still has \$15,000 left to raise to complete this build. Will you consider partnering with us as we work with Skappels to build themselves a better future?

At Habitat for Humanity, this is what unites us. **Through shelter, we empower.**

Mask Wearing at Central

Starting August 1, 2021 masks inside the building at Central Lutheran are optional. According to CDC and MDH guidelines, any unvaccinated persons should continue to wear a mask. Also, we will continue to follow CDC and MDH guidelines when it comes to physical distancing and procedures should anyone test positive after participating in an event at Central. Hand sanitizer and masks will still be available as you enter if you choose to use them. If you have any symptoms or are feeling un-well, please stay home. The Covid policy is subject to change as conditions and CDC or MDH recommendations changes. We continue to review our Covid policy and will inform members as changes are approved. Thank you for your support over this last year, we look forward to having you join us again soon. Pr Michael Short, Directing Pastor

Update from the FEAST Committee

The Feast Committee is excited to announce that beginning September 15, Wednesday weekly meals will resume in Grace Hall. We are working hard to insure that our volunteers and patrons are safe while we navigate this re-entry. We are asking that volunteers be vaccinated before considering volunteering, and all volunteers will be masked and gloved. Patrons are encouraged to be vaccinated, and will be required to wear masks at all times except when actively eating.

The Feast is reaching out to current cooks/volunteers to fill the slots in September, but we are always happy to have new folks join the ranks of volunteers. Please call Sharri Hackbarth at 507-259-7955 if you are interested in learning about cooking.

We look forward to seeing familiar faces on September 15. We will be serving 4:45-5:45 in Grace Hall. Follow signage on the door regarding masking and social distancing. As with all events planned during this pandemic, we may have to make changes on short notice, and will try and get word out as soon as we can.

Milestone Ministry

Central Lutheran is expanding our Milestone Ministry observations. Throughout the year, each month we will honor / observe a meaningful milestone such as baptism, confirmation, bible distribution, anniversaries, etc. Watch for upcoming milestones so you and your family will be present in worship to receive a blessing as we observe the milestones in your life. Our first two milestones are coming up in the next few weeks.

August 29th we will mark the start of school for our youth by blessing backpacks. Youth are invited to bring their backpack to worship that day for a blessing and receive a gift.

September 12th in addition to being Rally Sunday, we will mark the start of Sunday School and Confirmation. Our 3 year olds and 3rd graders will receive their Bibles.
