REV.

SHORT

A MESSAGE FROM OUR DIRECTING PASTOR

Brothers and Sisters in Christ;

The month of February brings with it two significant events within the life of the church. The first will be on Feb 11th when members of Central Lutheran we will gather for our annual meeting. Annual meetings may not be something everyone looks forward to, yet they are important in the life of the church as we gather to affirm who we are as the body of Christ in this place. Like most annual meetings you will receive reports about all we accomplished in the past year. You will hear about where we stand financially and you will be asked to approve a budget for the coming year. This year you will also hear about plans for our future as we begin to consider what it means to be church together, to worship together and to serve together in the decades to come.

The other event in the life of the church universal will take place just a few days later on Feb 14th when we will gather for our Ash Wednesday service as we move into the season of Lent. Just a few weeks ago we waited and watched throughout the season of Advent for the arrival of the promised Savior as the prophets had told us. As we entered into the Season of Epiphany, we celebrated the arrival of the Light into the world hearing stories of Jesus baptism, calling of his disciples and of the beginning of his ministry on earth. On Ash Wednesday we will enter into the season of Lent, a time of reflection hearing the stories from the end of Jesus ministry on earth. There we will encounter the struggle between the earthly kingdom and the heavenly kingdom which will result in the death of Jesus on the cross. But that is not the end as we gather to celebrate Christ's resurrection from the dead on Easter morning just as he promised. So I invite you join us for these two significant events within the life of the church universal and in the life of Central Lutheran.

REV.
KRISTEN
MASSA

A MESSAGE FROM OUR DIRECTING PASTOR

Dear Church Family,

This month I had the great opportunity to go to New Orleans for a youth ministry conference. I am attending the “Extravaganza” conference, where youth ministry leaders from around the ELCA church gather to learn from one another about best practices and new ideas. This year’s conference also has the joy to host many excited leaders who will be bringing their high school-aged youth to New Orleans in just 7 short months for the National Youth Gathering. To say that the air is electric would be an understatement. Everyone is excited to be having the gathering again, after the last one three years ago, was cancelled due to the pandemic.

One of the reasons that people are excited is because it’s been six years since thousands of Lutheran youths have gathered to deepen their faith in new, exciting and fun ways. Another reason is because of a word that has been coming back to me over and over again the last month. That word is renewal. The youth gathering leaders have taken the opportunity over the last few years to renew what was needed about this gathering. They pivoted in some ways to ways that fit better with what the students needed. They have trust in what God called them into and trusted in the Holy Spirit to guide their decision-making process.

As I think about this national youth gathering, I think about how we can all glean from renewal in our lives. Renewal of word. Renewal of hearts, hand, and mind. Renewal of soul. Renewing means allowing yourself to feel hope, to be loved, to love others in a gracious flow of that comes from our triune God. Renewal is not just about finding new things or new ways of doing things, it’s also about remembering, noticing, and seeing what is already around you.

When we think about renewal in our lives, we must also remember that sometimes we just have to look at things from a different perspective to see what is already there. When we think about renewal in our faith lives, it’s important to remember that the Holy Spirit is already there, working in your life. God is already at work in your life. Jesus is at work in your life offering grace, comfort, and love. Sometimes this renewal is us just changing the way we look at things, knowing our God doesn’t change.

In the bleakness of winter, it is easy to cuddle down to comfort. It’s easy to stay where it’s comfortable in life. Let us seek out God in our lives. The God that is already there, already waiting for us to change our perspective and gain renewal in our lives.

On a different note- During Epiphany services, we picked “star words” to lead and guide us this year in our faith. I’d love to hear any “star word” stories you may have. If you would still like to pick one, stop by the church!

Blessing to you this month,

Pastor Kristen Massa

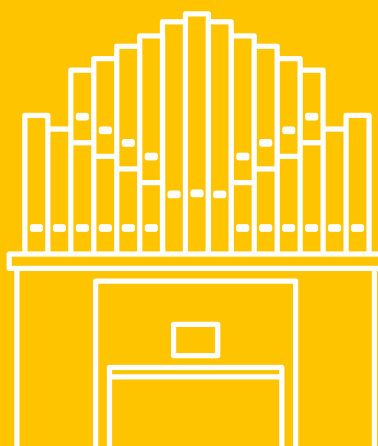

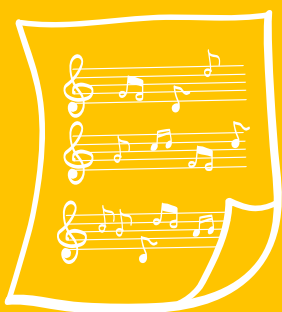

A MESSAGE FROM OUR WORSHIP, MUSIC & ARTS DIRECTOR

Praise him with tambourine and dance; praise him with strings and pipe! Psalm 150:4

Hendrickson 30th Anniversary Recital Series At the end of last month's newsletter article, I mentioned we were planning to invite area organists to perform short recitals throughout the year in celebration of 30 years of praising God through music.

Response to my invitation was truly humbling. Some of the finest organists in our region have agreed to share their talents. The recitals will take place on Wednesdays from noon to 1 pm throughout 2024 in the Sanctuary and will be free and open to all. Proceeds from a freewill donation will go to support the Organ Renovation Fund.

Mission: Provide the building blocks of child care by creating learning opportunities infused with faith while supporting the whole family

What's Happening at CLC CCC this month?

Children's experiences this February

Winter isn't close to being over so we continue to enjoy the winter days especially the ones that are not too cold to get outside! The children especially enjoy getting outside on snowy days but the cold kept us in many days! These days are truly magical for our little ones! During the month of February we will be talking about dental health and we will be reading many of the fun stories written by the very popular children's author, Dr. Seuss. We will be very busy making many special Valentines this month as we celebrate our love for God our families and friends! Love is definitely in the air at our center this month!

Contribution to the Winona Community

We currently have 64 children enrolled in our program. We work closely with our families to provide both part time and full time care. We want our children to have the best experience possible at CLC CCC.

Thank YOU Central!!!!

Sending a big THANK YOU to all those who ordered Butter Braids from the Center's Fundraiser! Your orders are helping us make a big difference in the lives of our children and their families! All proceeds will go toward new experiences and equipment to enhance the child care programming.

The butter braids will be delivered on Wednesday, February 7th. Please coordinate with the office for your pick up. Thank you so much for your continued support of this ongoing mission for the Winona Community.

Last night I folded a huge load of laundry.

Often, when doing household chores, I listen to the news, a podcast, music, maybe even an old tv show I love. This time, though, I resisted the urge to grab for my phone and folded in silence. I found this allowed me to reflect upon the generosity of so many. You see, I was folding cloth napkins, towels, rags, and washcloths from the LCC. I'd put off the task for so long that I had to fold nearly every single napkin we have. And, let me tell you, we have a lot of cloth napkins!

As I shook out the florals, checked patterns, and solid colored cloths, lining up the corners, and folding square after square after square, I wondered once again who shared this abundance with us. I know where some of our napkins came from— that dear woman, Connie Larson. [Thank you, Connie!] But, the rest? I still don't know the secret angel who left a basket of folded, homemade cloth napkins on the steps outside my office door years ago. The gift came at a time in which students were focusing even more on care of God's creation— timely, unexpected, and mysterious.

The stack of napkins placed carefully back in the basket sat precariously high before I started on the dish towels. I realized then that I'd purchased only four of the many towels we have. Two red towels came from Laura Loos [a member at Faith in Winona], after she brought dinner nine, or ten years ago, and noticed we needed a couple new towels. Large, cotton white towels came from Jeff Franko after we ran out of towels last year following our Donor Dinner. [I'd put off the laundry task then, too, to be honest.] Even many of our washcloths and rags were gifts from people when we remodeled our space to include the kitchen in 2016.

Yes, last night I folded a huge load of laundry, and the silent, repetitive task left me filled with such gratitude and awe. So many of you are folded into our story at the LCC, from gifts of cloth to dinners, prayer shawls and quilts, monetary gifts, spoken prayers, volunteering with mailings and other events, to serving on committees, the board, and so many other countless ways. Thank you, dear ones. And, the next time you fold laundry, remember the gift that you are to our students and wider community. Your love reaches far and wide, inspired by the one who clothes us with grace every day.

Peace,
Pastor Corrine Haulotte

UPCOMING EVENTS

Looking for Volunteers to Sew

The Child Care Center at Central is in need of a special style of bib for their toddlers and has asked the Central Quilters for help. There is a specific pattern that works very well for protecting the toddlers' clothing. They need 200 bibs! We're looking for volunteers to sew some of these bibs at home. Quilters will supply the pattern, material and instructions. It's a fun project! If you would like to help the Quilters with this project, or would like more information, please call Gloria Freiheit at (507) 450-5132.

Central Lutheran Book Group

The book group will meet on Thursday, February 1st at 10:00 AM in Grace Hall. We will bring a favorite book or discuss our favorite author. Please bring ideas for future books to read. All are welcome.

Adult Ed for Lent

Sundays during Lent (starting Feb 18) at 9:30, we will be exploring a video series called 'Making Sense of the Cross'. We will also have a time of discussion on Wednesday nights @ 5:30pm during Lent starting on Wed. Feb 21.

This is one which Central did many years ago but it reflects on a timeless question about the cross and its meaning especially during the Lenten season.

'Making Sense of the Cross' invites readers to "listen in" on an open conversation about the cross. Throughout the conversation, readers are encouraged to think about and experience the cross and its meaning for their lives.

Please come and join in the conversation as we walk together trying to make sense of the Cross in our life.

WIN

CHILI LUNCH

Edelber, Alex, Veronica, Jeronimo and the WIN volunteers had so much fun providing the Chili Lunch at church on January 14th. Several friends from the Church of the Brethren in Lewiston provided cornbread and dessert bars. The people who attended on that cold, cold Sunday had warm and generous hearts. The free will offering generated close to \$600 for the Winona Immigration Network.

If you missed Central's Chili Lunch you are not totally out of luck. You can visit our friends at Faith Lutheran Church for a Chili Lunch on Sunday, February 4th, starting at 11:30. Edelber, Alex, Veronica, and Jeronimo would like to make empanadas for us sometime in the future. We will start planning that fun event. Watch for information about it as it becomes available.

Alex, Veronica, and Jeronimo are settling in and experiencing their first Minnesota winter. The whole family went sledding with new friends on the first "snow day" of the school year. Jeronimo is attending the Winona Middle School. Alex and Veronica go to English class 4 days a week for 2 hours a day. They are working with an attorney to apply for asylum status and their Work Authorization Document. They are very anxious to work, but the way the immigration system works they will realistically not be able to be employed for about 8 months.

They would like odd jobs for donations to WIN as they are so grateful for the help we are giving them.

NICARAGUA

GET READY TO WELCOME JAZMINA AND JULIO!

Last summer WIN committed to sponsoring Jazmina Penado and Julio Maranda from Nicaragua. This couple is coming as part of the Parole Program available to people in Cuba, Haiti, Nicaragua, Venezuela, and Ukraine. They are preapproved and vetted in their home country before travelling to the U.S.. As part of this program they need to pay their airfare to travel to an entry point within the interior of the U.S. rather than a border town. This is intended to slow down the crisis at the border. A feature of this program is that they will be able to apply for a work permit within days of arriving, so they should not have to wait so long to be allowed to work. They will both have some knowledge of English and our culture, as they were exchange students to the U.S. when they were students thirty years ago. When we committed to sponsoring them we had no idea when they would be allowed to come. We were told it could be a month, or a year, or more. We now know they will be arriving on February 22nd!

If you would like to help WIN welcome Jazmina and Julio and help get them set up in an apartment, please contact Judy Davis, Denise Bernatz, or Pastor Mike. Also, we are looking for a safe, reasonably priced one bedroom apartment for them. If you have a rental that's available, or coming available by March or April, or know of one we should check out, please let Judy, Denise, or Pastor Mike know. We ask for prayers for safe travels and a smooth transition for Jazmina and Julio.
